*Welcome,*

Brag monthly meetings are the third Monday of each month held at the Burnsville Town Center at 6:30pm unless otherwise notified. Demonstrations, short DVD's and talks are usually planned to take place after the official business meeting.

Workshops by visiting artists and field trips are planned and organized during the summer months.

The BRAG website keeps you up to date with activities, and the members work pages are an ideal opportunity to showcase 6 pieces of your work.
